

## *The Iveagh Package*

*Corporate golf days are a popular choice for companies wishing to treat their clients to a special day out and, due to the excellent service provided at Burhill, we are pleased to say we have a number who book our corporate packages year after year.*

*According to the feedback we get, the reason they return is a mixture of Burhill's ideal location, two excellent golf courses and the friendly manner in which they are looked after by our staff.*

*Our new Iveagh corporate golf package is aimed at companies who wish to offer their customers a more personal day out. The events are hosted by our director of golf, former European Tour Player Pip Elson, or by one of our professional golfers who have a wealth of experience in the corporate golf arena.*

*The advantage of this package, aimed at groups of 8-12 players, is that you are able to spend more quality time with your guests during the day and they benefit from personal tuition both before and during their round.*

*We can organise welcome gifts with your logo on them and also prepare and collect the scorecards as well as put together a few special fun prizes to complement the main prize-winners.*

*The day ends on a deliciously stylish note with a gourmet meal; the menu chosen by you and specially prepared by our award-winning chefs and served in a private dining room.*

*To book your Iveagh package or to find out more about how a day can be tailored to suit your requirements, please contact either Gill Fee, Sales and Marketing Manager or Pip Elson on 01932 227345.*
