About us

The Academy at Burhill Golf Club welcomes all golfers, whatever their ability. With teaching solutions from group clinics and children's camps, to tailored one to one lessons, there is something for everyone.

The Academy is one of the best equipped in Surrey, which is why it has been selected as the home of the Surrey County Team. Its exclusive practice facilities include two covered driving ranges, grass practice bays and a large short game area with a selection of bunkers, greens and undulations. These first class facilities are open to members, playing visitors and pupils of the Academy.

Our team of PGA Professionals headed by Michael Evans are well equipped to coach all standards of player from Junior to Senior and Beginners to Elite.

JUNIOR LESSONS

We have a very active junior section and part of the feeder into membership is our highly successful Junior Programme. It's designed on the latest academic research to train not only the child's golfing skills but also their motor (balance, speed, strength and stability) skills.

Group camps run throughout school holiday periods and weekend classes are also available. Please contact the Professional Shop on **01932 227345**.
